5. Detailed Competency Finding

Coaching & Strengths-based development

Measured with Psychometric Assessment, iLead

Balances courage and consideration and expresses views with clarity and respect

Your score

2.45

You are:

Emerging

You at times spend one-on-one time with some of the individuals in the work group and sometimes seek to understand their problems before attempting to solve them. You also come across as someone who is interested in understanding other's viewpoints and clearly states what is most important for the team. You however need to further improve your ability to coach and develop others based on a deeper understanding of their individual strengths.

Time Management & Productivity

Measured with Psychometric Assessment, iLead, Inbox

Is able to prioritize the most important things.

Your score

3.54

You are:

Proficient

You plan ahead to reduce risks of crises in the future and seek out the strengths of others to get things done. You are disciplined in carrying out weekly check-ins with the team and work to solve problems rather than avoiding them. You have good understanding of issues outside your immediate work group and try to provide them with some support as and when needed. You demonstrate the ability to manage your time effectively and be productive by planning ahead. You could coach others so that they can build these skills and be more productive too.

Relationship Building & Business Development

Measured with Psychometric Assessment

Is able to synergize to create 3rd alternatives rather than settling for compromise

Your score

3.28

You are:

Competent

You network with people outside your work group. You also rarely, if ever, talk about people behind their back and refrain from undermining others for personal gain. You demonstrate a clear ability to produce high quality work and understand most service lines within the organization and how to engage various stakeholders. You are effective as building relationships by focusing on others and demonstrating emotional intelligence. You also demonstrate the ability to effectively develop business by focusing on the right opportunities. It is recommended that you further build these skills in order to be a role-model to others in the future.

Your score

3.37

Ownership & Accountability

Measured with Psychometric Assessment, iLead, Inbox

Takes decisions by making conscious value based choices aligned to principles, rather than based on feelings.

You are:

Competent

You accept and take complete responsibility for team actions and work towards resolution. You ensure that your work group has a clear sense of direction and frequently seek feedback on ways you could improve the work quality. You try to respond in a timely manner and keep the stakeholders posted. While you demonstrate the ability to take ownership and accountability, it is recommended that you continue to hone these skills to ensure flawless execution of work even when unexpected situations come up.
