1. Introduction

Dear Ujjwal knolly,

Introduction:

One of the most critical and an ongoing effort that a professional has to make is to develop competencies (knowledge, skills and attitude) that help not only in performing in the current role but also in building a career. In our ongoing effort to support you in developing in your current role, we are launching Development Centers. While these Centers are aimed at identifying your strengths and areas of improvement, their bigger purpose is to help you discover reflect and grow.

Report Content:

The reports showcase score descriptions along with your strengths and areas of improvements on competencies identified for superior performance that are imperative for your success in future.
